

# Malaria kills. Send a net. Save a life.

## HOW TO GET INVOLVED

Send a net, save a life. It's easy, right? So, how exactly do you get involved? What if you want to do more than make a donation? We need your help to spread the word that a \$10 donation can save a life. We want to make it easy to get your friends, family and community involved in *Nothing But Nets*.

Here's how to get started:

### Check out [www.NothingButNets.net](http://www.NothingButNets.net)

- Send a net: **Donate** directly through the secure contribution form.
- **Join** a Netraiser Team or start a new one: [www.NothingButNets.net](http://www.NothingButNets.net) has all the resources you need to get up and running.
- **Download** materials at [www.NothingButNets.net/downloads](http://www.NothingButNets.net/downloads) (toolkits, posters, online banners, videos and more).
- **Read** about what others are doing and **share your story**.

### Recruit Team Members

- Use your networks: Send messages and announcements about *Nothing But Nets* to your friends and family through **your Netraiser Team**.
- Link to us on your Facebook and MySpace pages.
- Go to meetings of groups that may support *Nothing But Nets* and educate them about the effort. Local religious institutions, clubs and community service groups are great options.
- Create **flyers** and distribute them at events, meetings, classes, etc.
- Display a **poster** at a local café, community center, student union, YMCA, etc.

### Hold Regular Meetings

- Once you've gotten a team together, start a series of regular meetings either in person or online.
- You can use these opportunities to educate your team, inspire and renew enthusiasm in the effort, check in on progress and share successes!

### Get Some Coverage

- Secure donated ad space in local media: local publications, school newspapers, church bulletins and team newsletters are great places to place the *Nothing But Nets* ad.
